6. Application Precautions

- (1) In principle, changes to the content of applications are not permitted once application procedures have been completed.
- (2) Application documents shall not be returned.
- (3) Inquiries about the entrance examination should be made by e-mail or postal mail. When sending inquiries by

postal mail, please be sure to enclose a self-addressed, stamped envelope for reply. Please note that inquiries by telephone will not be accepted.

(E-mail : seisan_daigakuin@ml.nagasaki-u.ac.jp)

7. Screening Method

Selection for each course will be based on applicants' performance in interviews and an oral examination.

(1) Examination Date and Time

Thursday, 15 February, 2024, from 10:00 A.M. onward

* Time differences will be taken into account when the entrance examination takes place over the internet.

(2) Allocation of points for the Academic Achievement Examination

Interview	Oral Examination	Total Score
30	70	100

(3) Acceptance Criteria

The successful applicants will be determined based on a comprehensive assessment, prioritizing those with higher scores on academic examinations and other criteria.

Please note that if an applicant's performance in the interview is exceptionally poor, they may be rejected irrespective of their performance in the oral examination.

The oral examination and interview will be evaluated in the following manner.

Method of Evaluation

The assessment will be conducted in the form of individual interviews involving multiple interviewers.

Applicants will be holistically evaluated based on their motivation for applying to the program, motivation to study, academic standing, and social skills using the submitted application documents as a reference.

Oral Examination Evaluation Method:

Applicants will be evaluated on their basic scholastic achievement as well as special knowledge through the oral interview (a) and (b).

(a) Evaluations include English and Mathematical basic scholastic achievement.

English is evaluated using the score sheet of "TOEIC® Listening & Reading Test", or "TOEFL iBT®". However the English oral examination will be held if applicants don't submit any of those score sheets.

* The score sheets are valid only with TOEIC or TOEFL tests held in three years from the day of the entrance examination.

* The original version of your score sheet must be submitted at the time of application.

(b) As for the special knowledge, applicant's basic knowledge of their expertise area will be evaluated through questioning with the consideration of applicants' expertise, such as dynamics, thermodynamics, continuum dynamics, electromagnetics, electrical circuit, organic chemistry, inorganic chemistry, physical chemistry, metallurgical engineering, ceramic materials engineering, and polymer materials engineering.

8. Examination Venue

Graduate School of Engineering, Nagasaki University,
Bunkyo 1-14, Nagasaki 852-8521, Japan

9. Notes on the Examination

- (1) On the afternoon of the day before the examination, notices specifying the rendezvous points for the day of the exam will be posted at the entrance of the Engineering Building No.1's piloti, the main entrance of the Department of Environmental Science, and the main entrance of the Department of Fisheries Science. Applicants are advised to confirm their examination rooms (rendezvous points); however, they are not allowed to enter the rooms.
- (2) Applicants must bring the Admission Ticket issued by this graduate school on the day of the examination.
- (3) Applicants must be at the designated rendezvous point 20 minutes before the examination starts. The

rendezvous point will be unlocked 30 minutes before the examination starts. (Latecomers will not be permitted to take the examination.)

- (4) All cellular phones must be turned off before entering the examination room.
- (5) Applicants from distant areas need to plan the trip carefully in consideration of possibilities of the inconveniences caused by the weather conditions. The examination date may be postponed in case of unforeseen event such as natural disaster on the day of the examination.
- (6) As a general rule, examinations may not be rescheduled. However, in the event of unforeseen circumstances, at the University's discretion, a re-examination may be conducted.

10. Announcement of Successful Applicants

At 10:00 (JST) on Wednesday, 13 March, 2024

- * The results for the successful applicant(s) will be announced on the board at the main entrance of the Faculty of Environmental Sciences and sent by mail.
- * A list of successful applicants will be available on the following Nagasaki University Graduate School of Integrated Science and Technology website from 10:00 on the same day.
Graduate School of Integrated Production Science Website →“入試情報”(Exam Information details)
→“合格発表”(announcement of test results)
(URL: <https://www.ist.nagasaki-u.ac.jp/graduate/goukaku>)
- * Inquiries regarding the examination results will not be accepted over the phone.

11. Enrollment Procedures

Successful applicants must follow the enrollment procedures outlined as follows. Details will be provided together with the Notification of Success in the Examination.

(1) Procedures Period

- ① Tuition Fee for 2023 (Annually): JPY 535,800 (Previous Year's Data for Reference)
(First semester JPY 267,900; Second semester JPY 267,900)
- ② Payment periods for the tuition fee will be as follows.
The first semester: April
The second semester: October
- ③ If an amendment of the tuition fee has been conducted, the new tuition fee will apply from the date of revision.
- ④ The exemption or deferment of the enrollment fee and tuition fee is possible.
(Details will be enclosed with the enrollment procedural documents)
- ⑤ Admission and tuition fees are not required for international students supported by Japanese government (Monbukagakusho: MEXT) scholarships.

12. Handling of Personal Information

- (1) Personal information obtained from the application documents will be used to select incoming students. Additionally, the personal data of successful applicants will be used for the enrollment guidance procedures, and the personal information of enrolled students will be used for the student registration processes.
- (2) Scores from the entrance examination and other personal information will be used for tuition fee waivers, exemption from course fees, various scholarship selection processes, and administrative and educational affairs.

- (3) Personal information obtained from the application documents and the entrance examination will be used for statistical surveys and studies related to the selection of incoming students.
- (4) Personal information obtained from the application documents and the entrance examination will not be used for purposes other than those mentioned above nor provided to third parties, except as provided for by the "Personal Information Protection Law."

13. For Applicants Requiring Disability-related Accommodations

Applicants with disabilities who require (assistance / special care) on their examination as well as attending classes may consult with the Student Administration Office of the Graduate School of Integrated Science and Technology. Please submit an application form (any format) with the following information and a medical certificate by Tuesday, 26 December 2023.

Applicants will never be negatively affected in the screening process by the results of an advance consultation. If necessary, an interview may be held with applicant or the spokesperson from the university where the applicant received his/her last degree. Failure to apply in advance might result in no assistance/special care being available.

Please note that the results of the pre-consultation will not be used against you in the selection process.

The description of the application form

- (1) Category of the Entrance Examination and the name of the course you apply
- (2) Type and condition of disabilities
- (3) Description of assistance request at the entrance examination
- (4) Description of the assistance request after enrollment
- (5) The assistance service received at the former academic institute
- (6) Additional information
- (7) Name, Address, and the Contact Phone Number (FAX Number)

Nagasaki University Student Accessibility Office will support students and applicants with disabilities.

14. Security Export Control

Nagasaki University performs the security export control based on "Foreign Exchange and Foreign Trade Act" so that education and study contents to foreign students do not obstruct maintenance of international peace and the security. Please thereby note it because the applicants may demand the change of education and study contents to hope for. In addition, please inquire for the details of each department.
