6. Application Precautions

- (1) In principle, changes to the content of applications are not permitted once application procedures have been completed.
- (2) Application documents shall not be returned.
- (3) Inquiries about the entrance examination should be made by e-mail or postal mail. When sending inquiries by postal mail, please be sure to enclose a self-addressed, stamped envelope for reply. Please note that inquiries by telephone will not be accepted.
(E-mail : seisan_daigakuin@ml.nagasaki-u.ac.jp)

7. Screening Method

Selection for each course will be based on applicants' performance in interviews and an oral examination.

- (1) Examination Date and Time

Wednesday, 24 December, 2025, from 10:00 a.m. onward

* Time differences will be taken into account when the entrance examination takes place over the internet.

- (2) Allocation of points for the Academic Achievement Examination

Interview	Oral Examination	Total Score
30	70	100

(3) Acceptance Criteria

The successful applicants will be determined based on a comprehensive assessment, prioritizing those with higher scores on academic examinations and other criteria.

Please note that if an applicant's performance in the interview is exceptionally poor, they may be rejected irrespective of their performance in the oral examination.

The oral examination and interview will be evaluated in the following manner.

Method of Evaluation

The assessment will be conducted in the form of individual interviews involving multiple interviewers.

Applicants will be holistically evaluated based on their motivation for applying to the program, motivation to study, academic standing, and social skills using the submitted application documents as a reference.

Oral Examination Evaluation Method:

Applicants will be evaluated on their basic scholastic achievement as well as special knowledge through the oral interview (a) and (b).

(a) Evaluations include English basic scholastic achievement.

English is evaluated using the score of one of the foreign language examinations listed in “Appendix” (refer to the above). However, the English oral examination will be held if applicants don’t submit any of those score sheets.

* The official score certificate is only valid if obtained within the past three years from the examination date

* The original version of your score sheet must be submitted at the time of application.

(b) As for the special knowledge, applicant’s basic knowledge of their expertise area will be evaluated through questioning with the consideration of applicants’ expertise.

(4) Entrance Examinations over the Internet

International students outside Japan may be eligible for online examinations. Applicants who wish to opt for this must consult their prospective academic advisor in advance.

8. Examination Venue

Graduate School of Integrated Science and Technology, Nagasaki University,
Bunkyo 1-14, Nagasaki 852-8521, Japan

9. Notes on the Examination

- (1) On the afternoon of the day before the examination, notices specifying the rendezvous points for the day of the exam will be posted at the entrance of the Engineering Building No.1's piloti, the main entrance of the Department of Environmental Science, and the main entrance of the Department of Fisheries Science. Applicants are advised to confirm their examination rooms (rendezvous points); however, they are not allowed to enter the rooms.
- (2) Applicants must bring the Admission Ticket issued by this graduate school on the day of the examination.
- (3) Applicants must be at the designated rendezvous point 20 minutes before the examination starts. The rendezvous point will be unlocked 30 minutes before the examination starts. (Latecomers will not be permitted to take the examination.)
- (4) All cellular phones must be turned off before entering the examination room.
- (5) Applicants from distant areas need to plan the trip carefully in consideration of possibilities of the inconveniences caused by the weather conditions. The examination date may be postponed in case of unforeseen event such as natural disaster on the day of the examination.
- (6) As a general rule, examinations may not be rescheduled. However, in the event of unforeseen circumstances, at the University’s discretion, a re-examination may be conducted.

10. Announcement of Successful Applicants

At 10:00 a.m. (JST) on Wednesday, 28 January, 2026

- * A list of successful applicants will be available on the following Nagasaki University Graduate School of Integrated Science and Technology website from 10:00 on the same day.
Graduate School of Integrated Production Science Website →“入試情報”(Exam Information details)
→“合格発表”(announcement of acceptance)
(URL: <https://www.ist.nagasaki-u.ac.jp/graduate/goukaku>)
- * Successful applicants residing outside Japan will be notified of their acceptance via email in PDF format, with an original document sent by post later.
- * Inquiries regarding the examination results will not be accepted over the phone.

- (2) Scores from the entrance examination and other personal information will be used for tuition fee waivers, exemption from course fees, various scholarship selection processes, and administrative and educational affairs.
- (3) Personal information obtained from the application documents and the entrance examination will be used for statistical surveys and studies related to the selection of incoming students.
- (4) Personal information obtained from the application documents and the entrance examination will not be used for purposes other than those mentioned above nor provided to third parties, except as provided for by the "Personal Information Protection Law."

13. For Applicants Requiring Disability-related Accommodations

Applicants with disabilities who require (assistance / special care) on their examination as well as attending classes may consult with the Student Administration Office of the Graduate School of Integrated Science and Technology. Please submit an application form (any format) with the following information and a medical certificate by Friday, 1 November 2025.

Applicants will never be negatively affected in the screening process by the results of an advance consultation. If necessary, an interview may be held with applicant or the spokesperson from the university where the applicant received his/her last degree. Failure to apply in advance might result in no assistance/special care being available.

Please note that the results of the pre-consultation will not be used against you in the selection process.

The description of the application form

- (1) Category of the Entrance Examination and the name of the course you apply
- (2) Type and condition of disabilities
- (3) Description of assistance request at the entrance examination
- (4) Description of the assistance request after enrollment
- (5) The assistance service received at the former academic institute
- (6) Additional information
- (7) Name, Address, and the Contact Phone Number (FAX Number)

Nagasaki University Student Accessibility Office will support students and applicants with disabilities.

14. Security Export Control

Nagasaki University implements security export controls in accordance with the "Foreign Exchange and Foreign Trade Act" to ensure that the education and research activities of foreign students do not undermine, or compromise, international peace and security. Applicants may be required to modify their desired education and research content. For more information, please contact the relevant department.

Advanced Green Sustainable Science and Technology

We have established a system to provide a research incentive grant of 50,000 yen per month to support the research and studies of 1st- and 2nd-year students in this course (with a limit of six students per year).

Additionally, for 3rd- to 5th-year students, we are establishing a priority allocation (with a limit of five students per year in each of these years) for financial support under the Support for Pioneering Research Initiated by the Next Generation (SPRING) program. This support includes an annual total of 2.7 million yen, consisting of a 2.2 million yen research scholarship and 500,000 yen in research funding, creating an environment that allows students to focus on their studies and research.
